In years to come, as I look back, how will I remember? Will I remember the year as it was or as I had wished it to be? Will I remember only the happy time or the disappointments we also shared?

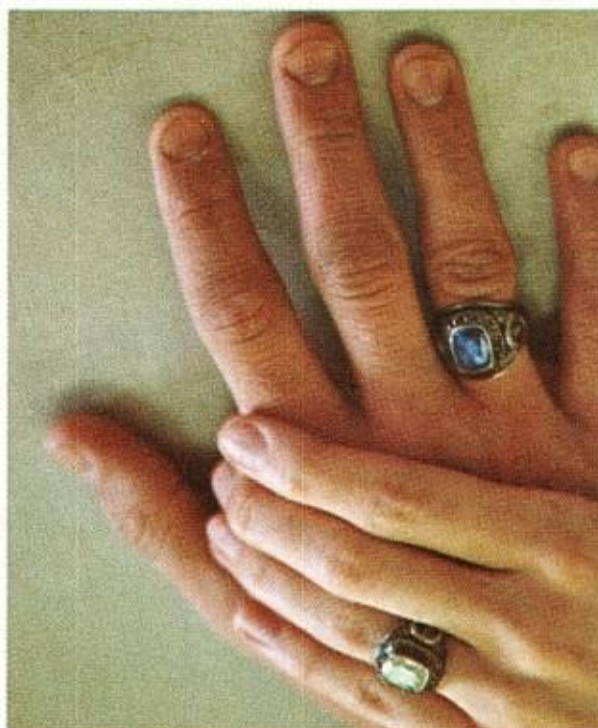

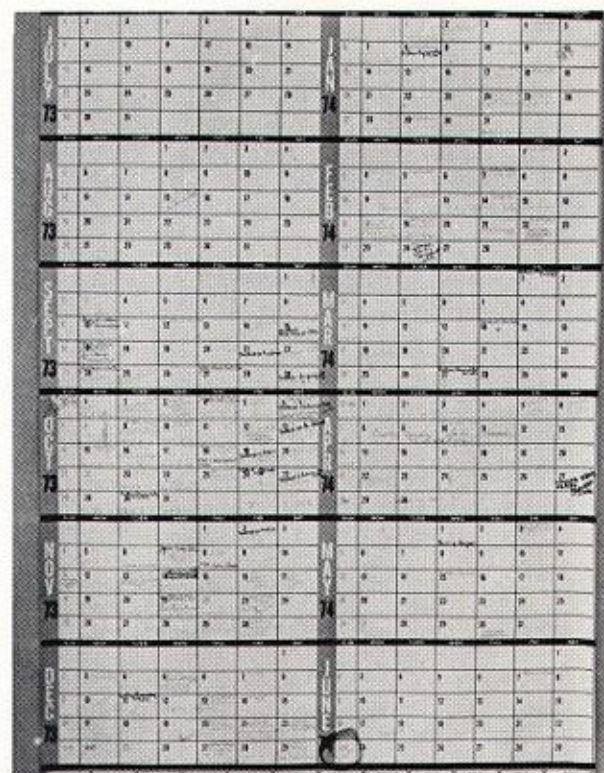

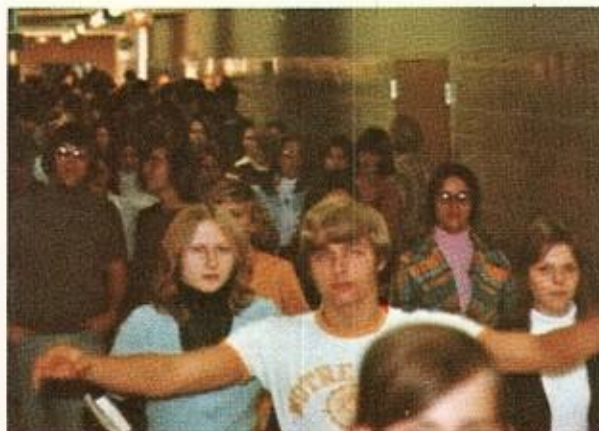

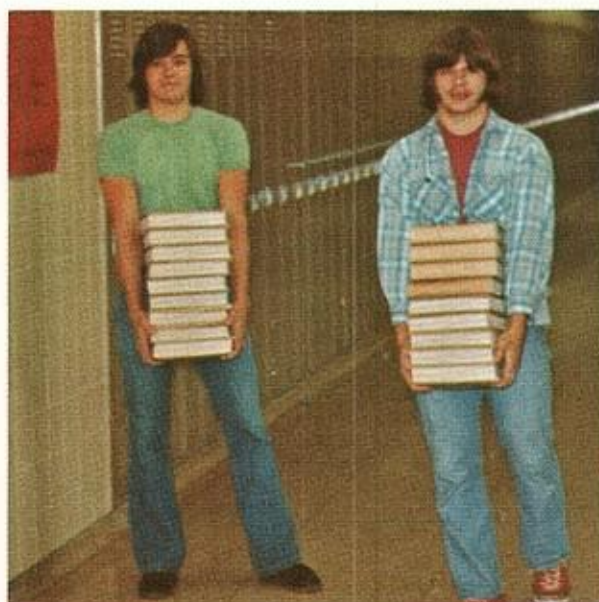

***Did I express myself to the fullest extent and
yet keep an open mind which welcomed the
thoughts and opinions of others?***

Did I utilize the days and the months to form lasting friendships with others. Or will the experiences we shared be lost forever with the closing of a book, never to be of benefit to me in a more serious later life?

Will I recall the good times of shared laughter that came from such simple things as having a coke, or enjoying the fresh Spring sun? Was I alone or was I a real part of them? What will I remember?

Webster's has defined a principal as a person who has a controlling authority or is in a leading position. He is a person who is also the chief executive officer of an educational institution. The graduating class of 1974 has been fortunate in that our principal has been a man who has answered this definition in every sense of the word. As chief officer of our educational institution he has provided us with an atmosphere in which we have been able to express ourselves to fullest possible extent.

Therefore, we dedicate the 1974 FORUM to you,

HENRY ANDRZEJEWSKI

A MESSAGE FROM THE SUPERINTENDENT

The graduates this year are being cast into a society that lacks trust and faith in many of the levels of government or in fact all forms of authority. It is an unprecedented attitude that has swept the country and if not revised could undermine the very foundation upon which our nation was built.

What is needed is a rebirth of integrity and responsibility in all persons. The time has come that all of us drop the cloak of indifference and the cliché that "all politics are dirty" and get involved in the many facets of government.

It is my hope that we as teachers in conjunction with your parents have through examples and instruction built into you the necessary qualities that you will be responsible and involved citizens of our nation. It is my prayer that you will succeed where we have failed and the nation will once again regain their faith and trust in our government.

Mr. Henry Andrzejewski

Principal

Mr. Andrzejewski, the principal, leads the faculty and students of John F. Kennedy High School in achieving the educational goals of each year. He fosters student events and activities throughout the year by his attendance and enthusiastic support. He is a member of the Curriculum Council and works with the faculty and guidance in scheduling students to ensure that their curriculum will meet their individual needs. Mr. Andrzejewski meets with the School Board and various other community groups because he realizes that a school is an extension of the community in which it exists.

Mr. Andrzejewski, as the principal, organizes the operation of the school to reflect his opinion that the school exists for the students.

Mr. Henry Zwierzchowski

Vice-Principal

Mr. Zwierzchowski, the vice-principal, does more than assist Mr. Andrzejewski in the operation of the school. He interprets and enforces the disciplinary policies of our school. As a mediator for student problems, he attempts to assist all parties involved in reaching an equitable and educationally sound resolution of the conflict.

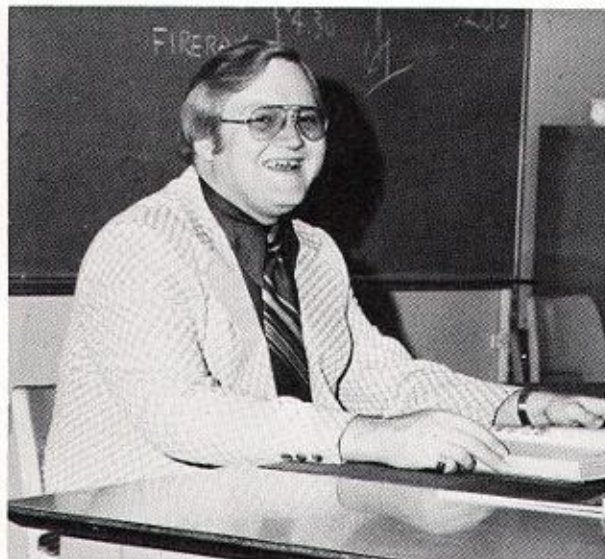

Realizing the need for good communication between the school and the community, Mr. Zwierzchowski attends P.T.A. meetings and parent conferences to interpret and explain the school, its curriculum, and new and unusual programs and facilities.

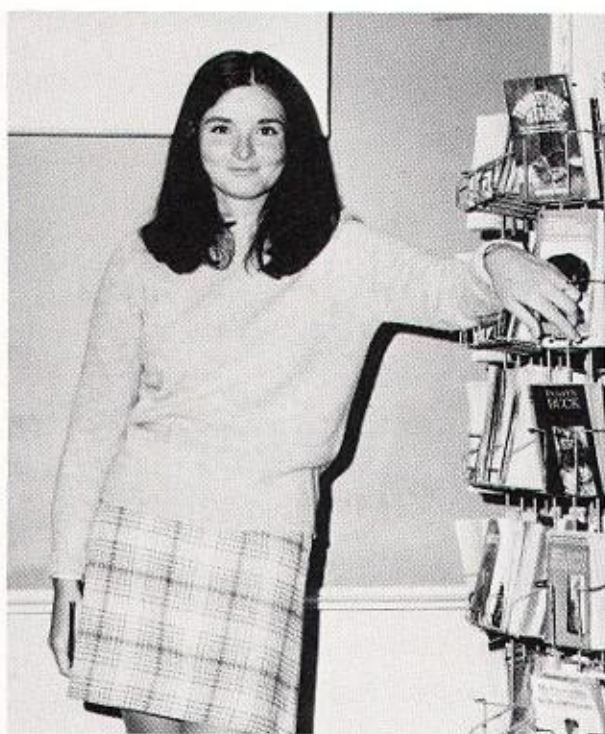

English

Under the direction of Miss Suzanne Hartke, the new department chairwoman, the language arts department is revising its present curriculum to give greater opportunity for individualization. The teachers in this department recognize that individuality, creativity, and imagination play a great part in each student's command of language arts skills. They use the study of literature to expand the horizons of the students.

A new course, Drama, has been added to the language arts curriculum this year. This course is designed to enable students to better understand the various aspects of the drama and to be able to express themselves.

The science department, looking towards the needs of our changing world, is placing an emphasis on ecology. A new course, I.S.C.S. taught by Ms. Schupbach, Mrs. Domhart and Mr. Simme, is being offered to have students learn by experiment instead of the usual lecture method. More changes will still be made to keep the science department up to date and more interesting for the students taking these courses.

The math department deals with teaching students to cope with ordinary math problems in daily living, to think logically, to understand cultural values, and to prepare students for professional schools. This year a new course, Applied Math taught by Mr. Ratajczak, is being offered to integrate math with the needs of students in vocational training. Boolean Algebra and the Logic Trainer are also being introduced to the students taking the College Algebra course. These are used to teach the principles of logic and computers.

Business

The Business Department is constantly prepared to update any curriculum. There are two new courses being offered this year. The new courses are Office Practice and Accounting II. The main objectives for the new courses are to develop important skills employed in a modern business office. New equipment is being used to better the understanding of the course. The department has made changes this year to train pupils in the knowledge of business.

Joseph Nikiel

The department of industrial arts is meeting change in technology and preparing youngsters for a career. The wood shop and the metal shop are being upgraded in equipment and curriculum. There are new courses being offered which are geared to meet the career needs of pupils. The new courses which are being offered are architectural drawing, advanced drawing and painting, and electronics. The main objective of the department is to prepare a student for a vocation or college.

Library Staff

The library is a place for students to work on projects and assignments, to supplement textbook learning with library materials, to read magazines, to listen to tapes, and to watch filmstrips. This year our library has been expanded and now students have the advantage of using the filmstrip previewers and cassette recorders without disturbing any of the others studying.

Music

The aim of the music department is to train music students to their full potential, to improve the general understanding and appreciation of music, and to provide appropriate music for various school activities. Changes are being made to establish a stage band. Theory is being taught through a creative approach and the department hopes to present original compositions by class members.

Language

The language department this year has done many new things. The French and Spanish classes took trips over the Easter Holiday to France and Spain. This enables students to have a chance to broaden their outlook on life through the panorama of a foreign country. Not only is language discovered, but also the background of its history and culture is revealed.

Health Office

LaRene Gross

The main objective of the health office is to identify, prevent, or alleviate health problems. Our nurse helps the students to assess and understand their own health status. They try to increase their awareness of their ability to maintain and improve health. Sometimes they are very busy, but they try to cooperate and counsel with new teachers, pupils, parents, administration and community.

Student Council

The John F. Kennedy Student Council provides a vital link between the school administration and the student body.

The council acquires an image through such activities as supplying refreshments at home games, deferring the cost of buses for athletic events, magazine drives, and the purchasing of athletic trophies. Because of these activities, the council has become an extremely necessary organization in our school.

D.E.C.A.

The Distributive Education Club of America is one of the most unique clubs in a school. Unlike other organizations, D.E.C.A. prepares retailing students for a career in the field of marketing and distribution. Each year, the members of D.E.C.A. compete with other Niagara Frontier schools in retailing contests. These contests bring about recognition for the club as well as personal satisfaction for the student.

Deca Officers: Sandy Slisz, Secretary; Michelle Rutkowski, President; Debbie Gawronski, Vice President; Mary Ann Luksch, Treasurer; Mr. Radlich, Advisor.

F.T.A.

The Future Teachers of America is an organization for those who are interested in a teaching career. They offer a deep insight into the field of education and other curricular activities associated with the club. Their meetings deal with many aspects of elementary, secondary, college, and special education. They have fund raising activities such as cake sales, and also pep tags for home games. This money is used for their annual installation dinner held in May.

Band

The John F. Kennedy Band, as a performing organization, has increased in size and popularity throughout the school year.

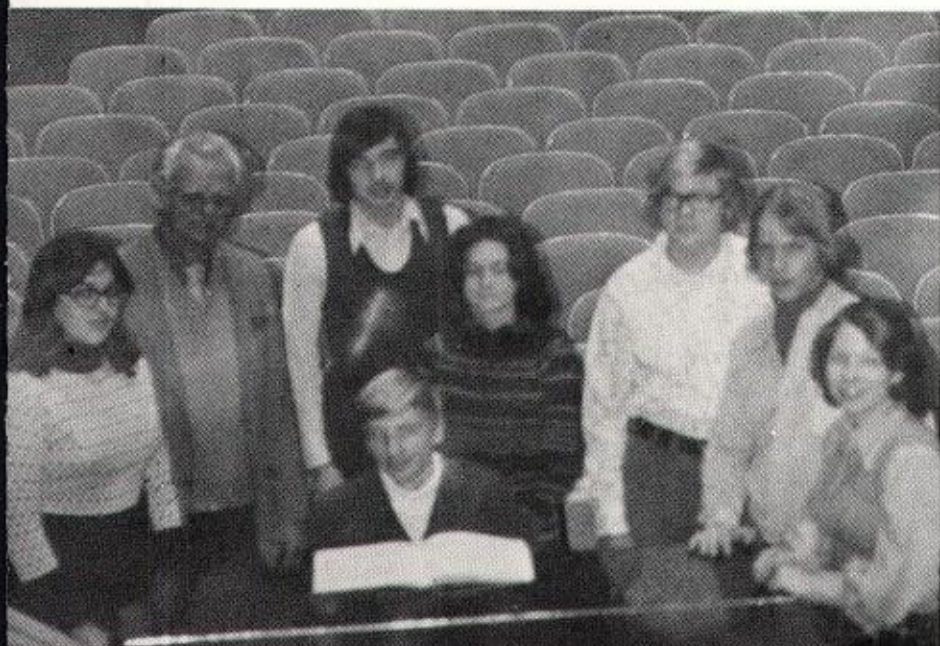

The Memorial Day Parade, football games, and school assemblies serve as opportunities for performance for this organization. This year, Mr. Valentine led the band when it provided the music for the Senior Class play.

Awards are given for satisfactory service in the club. The highest award is the John Philip Sousa Award. Scholarships may be sought by those members who wish to follow a musical career in college.

Future Homemakers of America

From the fragrant odors which escape the ovens on the first floor, anybody would say that Betty Crocker has stiff competition coming from the members of the Future Homemakers of America.

This year they started off with a cookie sale which sold out immediately after lunch. They also plan to have other sales throughout the fiscal year.

The F.H.A. conducts classes after school to preserve the arts of home-management, service, and hospitality, which are always very well attended.

Bookstore

The bookstore is composed of individuals who learn and exercise the proper procedures of store management. This year our bookstore has greatly expanded. Along with the usual school items and books, the bookstore sold game tickets, a variety of shirts, stuffed animals, and pom poms.

This organization provides these individuals with a good opportunity to profit by experience.

1st ROW — Debbie Wozniak, Karen Baranowski, Kim Kaupa, Sandie Rogalski. 2nd ROW — Lydia Walkowiak, Cindy Martinec, Tina Warejko, Advisor: Miss Myles.

Varsity K

The Varsity K consists of a group of young gentlemen who have suffered the hard work of glory and the disappointments of defeat.

This organization has sponsored such activities as the annual school dances, and this year a pop corn sale to provide sweaters for its members. During the year 1973-1974, the members have acted as ushers for school activities and parking lot attendants.

Audio-Visual Crew

A staff of dedicated students who work behind the scenes is known as the Audio-Visual crew. These individuals benefit from the expert training they received involving the utilization of certain aids. Football and basketball films provided by this crew are certainly an advantage for our team, and a useful experience for these men.

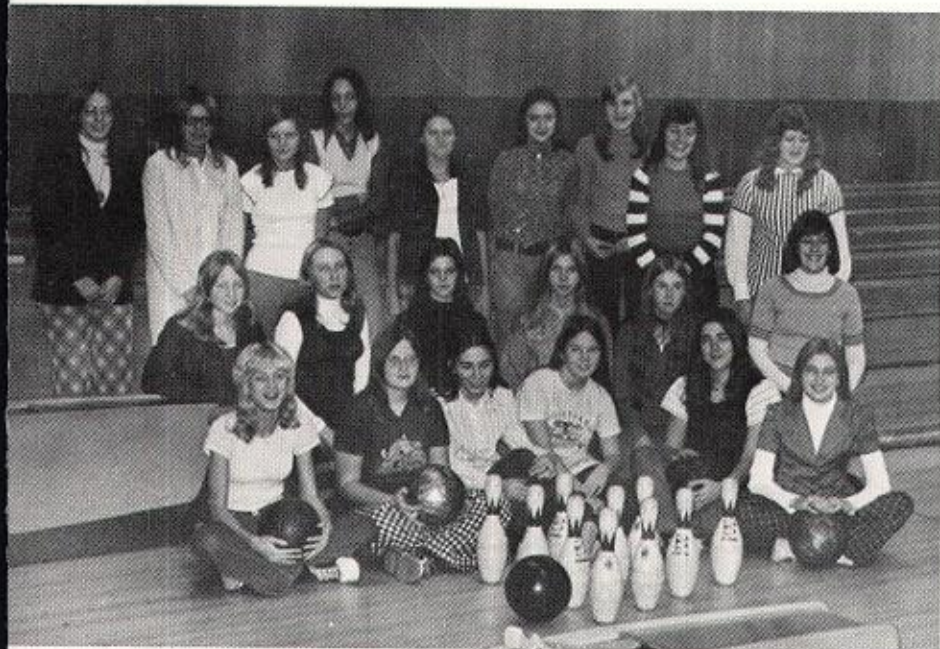

Audio Visual Crew: SITTING — Ed Bernal. STANDING — Ken Dominczak, Mr. Norm, Bernie Sitniewski, Bob K tell, Mike Ciepiela.

A group of students who have volunteered their services relating to the operations of the stage are known as the stage crew. These individuals have co-operated with various organizations with their skills in lighting, curtains, props, and other such areas involved with the stage. During school plays, assemblies, and after-school tasks, these men have had the opportunity to enhance their theatrical skills.

Girl's Bowling

Bowling is one of the few intramural sports offered for girls at our school. The girls' membership in this activity offers them entertainment, exercise, and excitement. The group rivalry culminates in the selection of championship teams. Every Wednesday throughout the school year, Parklane Bowling Lanes serve as the center of competition. Enthusiasm, organization, and superb advisors attribute to the success of this organization.

Gymnastics

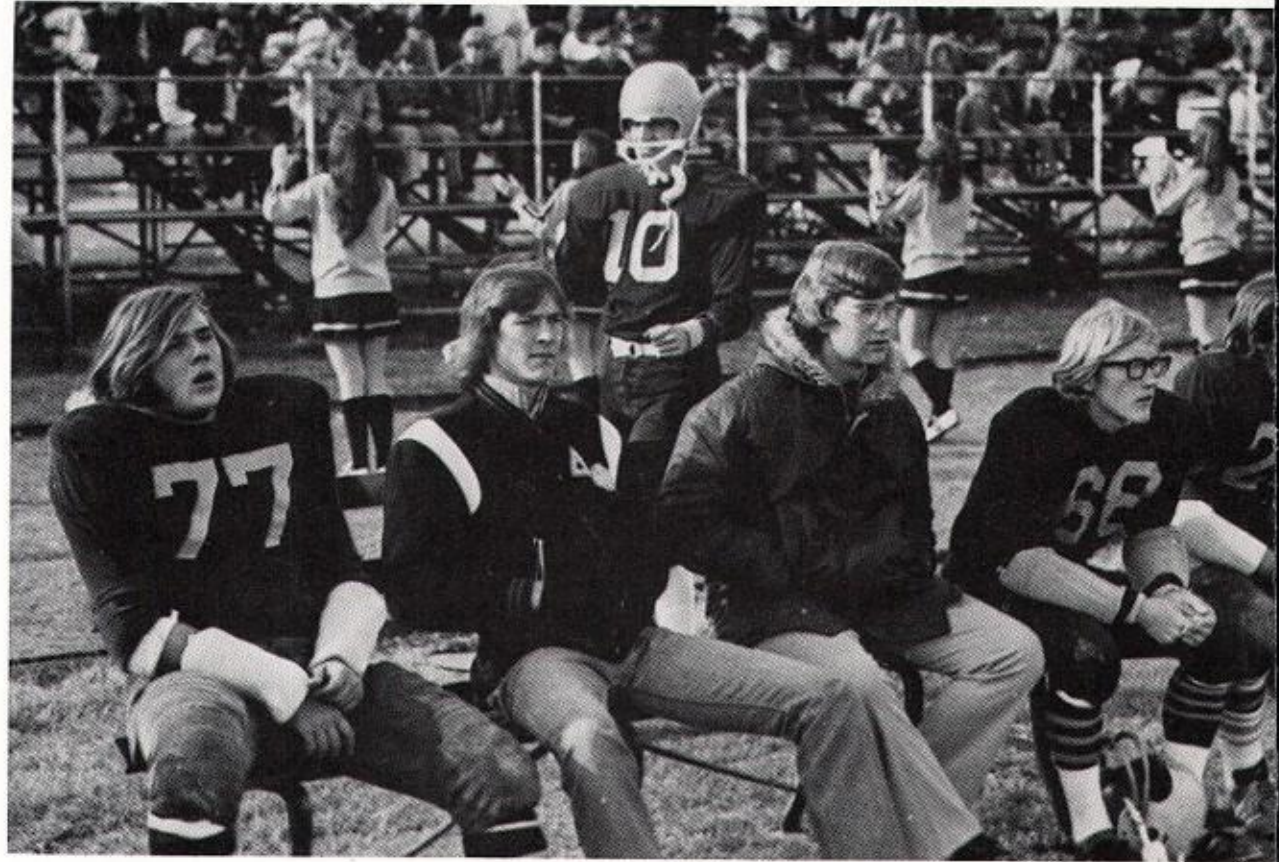

An extracurricular activity such as gymnastics, demonstrates an individual's desire to seek a new talent or develop that which he already possesses. Acrobatic ideals derived by the advisors posed worthy objectives for all members.

Each week, these girls devoted much of their time and effort to the successful performance given at Open House. The attitudes, desires, and goals of those involved led to their interest and achievement.

Varsity Football

The 1973 Varsity football team finished the year with a record of 3 wins and 5 losses. The Bears were in contention for the league title until the second last game of the season. Members of the division all-star team: seniors Mark Maggio, John Pawlak, Mike Romano and junior Jim Hellems.

Sam Ruggiero

The 1973 Kennedy Track and Field Team coached by Mr. Peters and assisted by Mr. Injaychock and Mr. Ratajczak compiled the best win-loss record in the history of Sloan or Kennedy High School. The track team's record was 10 wins and 1 loss, the latter coming to East Aurora which was to decide the Division III Championship. Kennedy finished in second place.

The 1973 season was also the year of the revival of The Little Four Track and Field Meet. This meet was comprised of Cheektowag, Maryvale, Cleveland Hill, and Kennedy. The Bears brought home a decisive victory over all and returned with a trophy. In the 1974 season the team will be defending this Trophy.

During the season, eight school records were broken. These included the following events and track men: Hundred Yds. Ray Ostrowski 10.5 sec's. 220 Yds. Ostrowski: 22.5 sec's. Mile, Sam Ruggiero: 4 min. 33 sec's. 440 Dennis Kasprzyk: 52.5 sec's. 880 Kasprzyk: 1 min. 57.4 sec's. (E.C.I.C. record). Pole Vault — David Wanderlich: 11ft.6in. 2-Mile Ruggiero: 10 min. 05.8 sec's. Mile Relay — Dennis Kasprzyk, Thomas Paul, Ken Sarama, David Vandervoort. 2 Mile Relay — John Michalek, Gary Kujawa, Brian Kaminski, Bob Malinowski.

This track team was led by such fine individuals as Dennis Kasprzyk, who was selected by the Buffalo Evening News as The Outstanding Trackman of the Week and also set an E.C.I.C. record in the 880, and Ray Ostrowski, who was inducted into The Track Hall of Fame. Sam Ruggiero was voted the Most Valuable Player in 1973.

Track and field meet revived

A traditional track meet in Cheektowaga which was allowed to lapse in 1952 not only will be revived Saturday with the John F. Kennedy Jr.-Sr. High School as host, it will grow.

In the 30's, 40's and early 50's the meet was known as "Little Three" and included Sloan, Cheektowaga and Depew. Now we have the "Little Four Track and Field Meet," which will again become an annual event and will be rotated among JFK, Cheektowaga Central High School, Cleveland Hill High School and Maryvale High School.

Saturday 250 boys will compete in events, the first starting at 11 a.m., the last at 2:15 p.m. on JFK's field at 305 Cayuga Creek Rd.

David Peters, head track coach at the host school, reflects the enthusiasm of all four schools when he says:

"The idea for holding this meet is to promote community interest in Track and Field, sportsmanship and competitiveness among the four area schools. In no other sport can you get the number of boys to participate actively as you can in track. The others, football, baseball, basketball, swimming, soccer, etc. are all team sports which are limited to the number who may participate."

The coaches of the four schools are as follows:

JFK — Coach Peters, Coach Michael Imajchok, assistant; Coach Loren Ratajczak, assistant coach;

Cheektowaga — Coach Kenneth Knutson, head track coach; Coach Michael Teleha, assistant coach.

Cleveland Hill — Coach Carl Kuras, head track coach; Coach John Mildrew, assistant coach.

Maryvale — Coach Donald Hall, head track coach; Coach James Fleischmann, assistant coach.

Trophies will be awarded to those who finish first, second, third and ribbons will be presented to fourth, fifth and sixth place. An overall team trophy is planned for the school with the most points, the trophy to stay in that school for one year and then be "up for grabs" at the next meet.

Ruggiero Sets Two JFK Records

Sam Ruggiero set school records in the mile-run (4 minutes, 4.6 seconds) and 2-mile

880 to Costello, But J. F. Kennedy Wins Track Meet

(10:28.2) leading John F. Kennedy to an Erie County Interscholastic Conference season opening track victory at Pioneer Tuesday, 98-38.

Ruggiero was joined by another junior in the record department, Dennis Kasprzyk, who set a school mark in the 880 (2:04.8). Kasprzyk, Randy Orlowski, Dave Wanderlich and Ray Ostrowski were also double winners.

JFK rips Cleve Hill

John F. Kennedy High's track team garnered 13 events May 8 in breezing to a 91-45 victory over Cleveland Hill in an ECIC Division III meet.

The Bears had double winners in Dave Wanderlich (pole vault and triple jump), Sam Ruggiero (mile and two mile) and Dennis Kasprzyk (440 and 880). The Bears swept the low hurdles.

JFK is using an experimental track program under which an athlete may enter two events. As a result, athletes such as Ruggiero, Kasprzyk and Wanderlich are emerging double stars and twice as valuable. Previously, for example, Kasprzyk was strictly a quarter-miler.

JFK Posts 7th Track Victory

John F. Kennedy's undefeated track and field forces posted victory No. 7 Thursday, downing Grand Island, 90-46, in an Erie County Interscholastic Conference meet.

Sam Ruggiero won the mile and two mile for the winners; Ray Ostrowski captured first in the 100 and 220 and Dave Wanderlich was the victor in the pole vault and triple jump.

Kennedy's Division IV mark is 4-0.

Kasprzyk reacts state track meet

Dennis Kasprzyk, half from John F. Kennedy High, will be the town area's lone representative Saturday in the New State Public High School Athletic Assn. Intersectional Track Field Championships at Ken East.

Kasprzyk qualified for annual state event Saturday finishing third in the 880 of Section VI's intersectional qualifier at Williamsville North.

Kasprzyk finished behind Niagara-Wheatfield's Williamson, who won in 1 and runner-up Rick Ludem Fredonia. The first three finishers in individual events qualified as members of the Section team.

34-Meet Streak Is Ended By 3 Record Runs for JFK

Three athletes produced school-record performances Tuesday as John F. Kennedy High School snapped visiting Irons' Erie County Conference Division III winning streak at 34 track meets, 71-65.

Ray Ostrowski won the 220-

yard dash in a school-record 23.1 seconds; Dennis Kasprzyk took the 440 in :53 and Sam Ruggiero won the mile in 4:39.6 and lost a judges' decision in the 2-mile in 10:12.4, both records.

Ostrowski also won the 100-

and Kasprzyk the 880, but it was sweeps in the long and high-jumps that was the key.

3:44 Mile-Relay Sets JFK Record In Track Victory

Dave Vandervoort, Sarama, Dennis Kasprzyk, Tom Paul teamed for a school record 3-minute 44-second relay Monday as John F. Kennedy won at Cheektowaga 99 1/2-36 1/2.

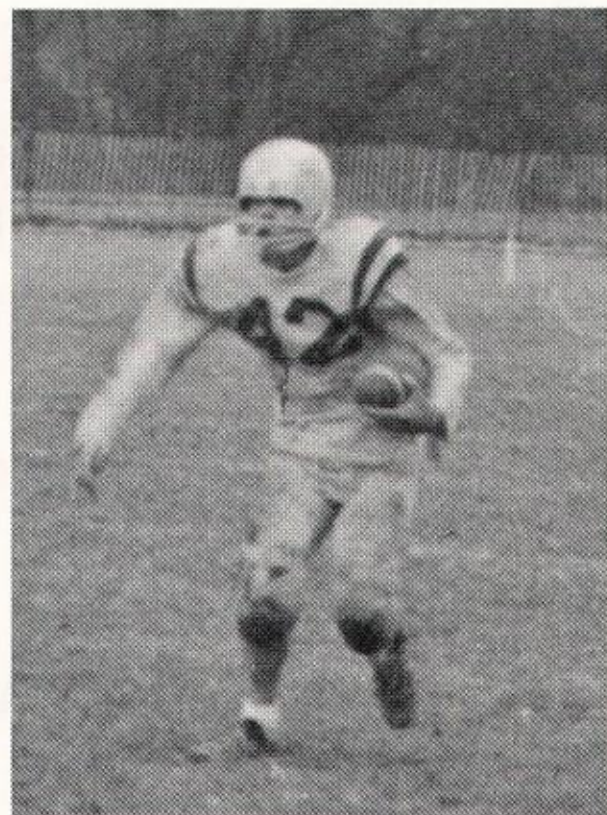

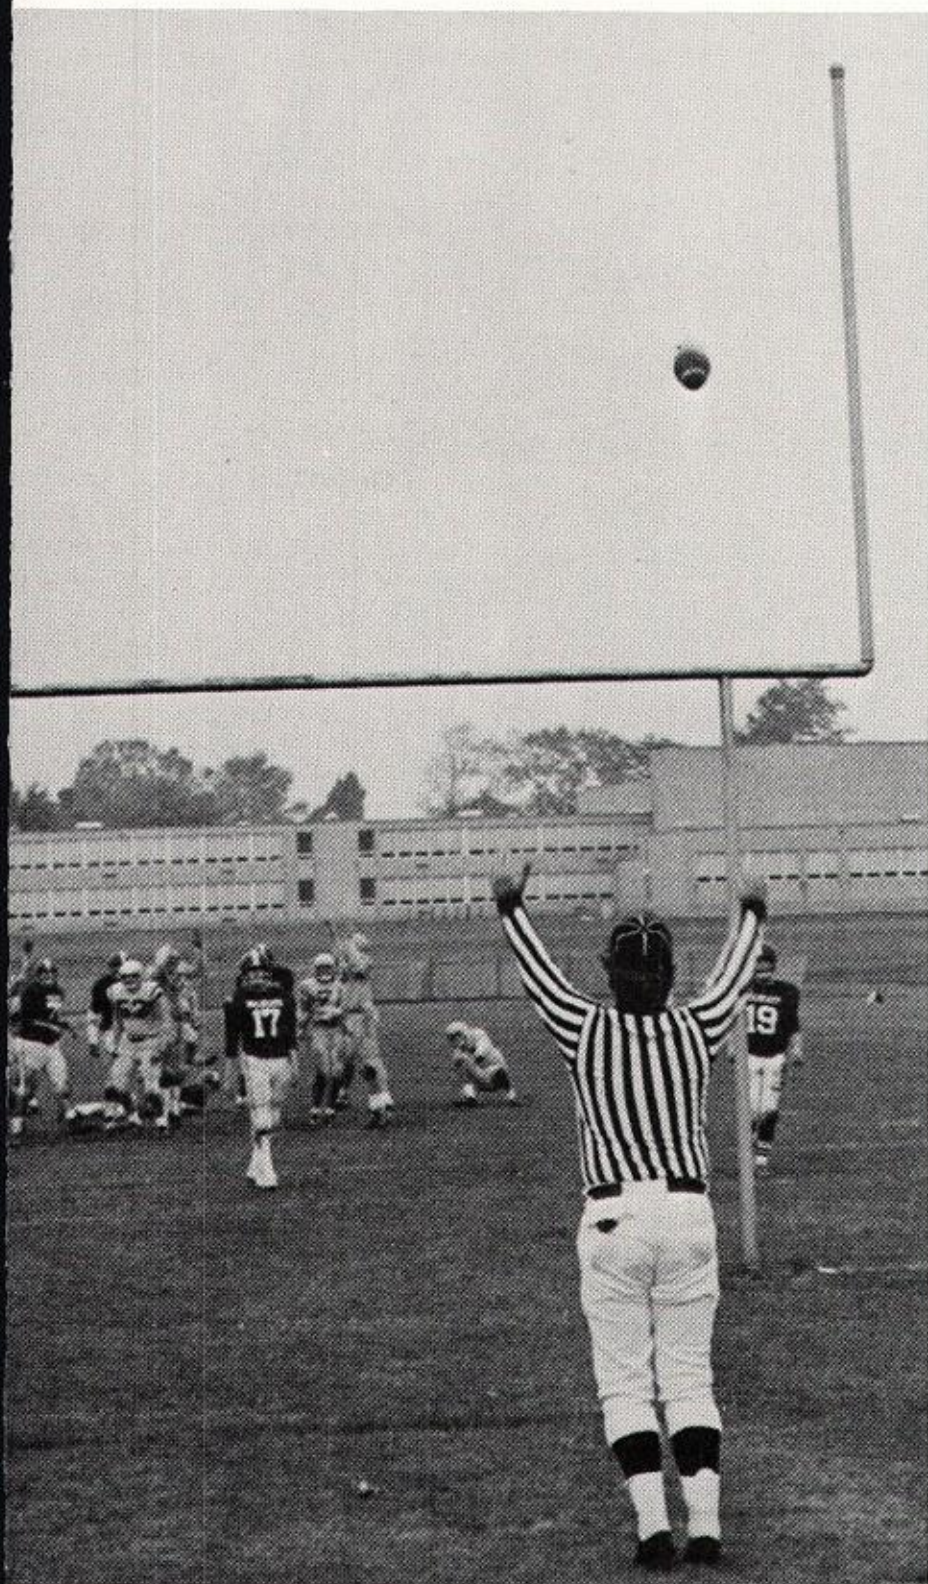

It was an Erie County Interscholastic Conference Division III track meet.

Keith Stachowski won hurdles and Sam Ruggiero the distances for the unbeaten Bears. Sophomore Tim K had personal-bests of 46 feet in the shot-put and in the discus for Cheektowaga.
